Re: Great Lakes Gas Transmission Limited Partnership
Deer River Compressor Station No. 4 (CS4)
Deer River, Minnesota
Federal Permit to Operate No. V-LL-2706100011-14-01
Part 71 Permit Renewal

Dear Sir or Madam:

This package is a submission for a Title V Part 71 permit renewal for the Deer River Compressor Station No. 4, Permit No. V-LL-2706100011-14-01. Station No. 4 is located near Deer River, Itasca County, Minnesota. Station No. 4 is also located within the external boundaries of the Leech Lake Band of Ojibwe Reservation.

As you are undoubtedly aware of the current COVID-19 pandemic, we respectfully request that this permit application be reviewed as soon as possible to ensure the application is administratively complete.

Please contact me with any questions by phone at (715) 701-3659 or via e-mail at Chris_Waltman@TCEnergy.com. If you would like an electronic copy of the permit renewal application or the emission calculations, please contact me at the email address above. Thank you very much for your assistance.

Sincerely,

Christian S. Waltman
